

# Changing your Password

Last Modified on 03/28/2019 4:03 pm EDT

If you would like to change your password for the Client Portal, you can do so from the 'My Profile' section.

1. Navigate to the 'My Profile' section
2. Click the 'Change Password' option on the left
3. Enter your current password and your new password
4. Click the 'Submit' button

After changing your password, you will have to log in again.
